MR. BILBRAY. Mr. Speaker, today I rise to recognize the United States Tennis Association, San Diego District Tennis Association, Naval Medical Center San Diego, and Balboa Tennis Club for working together to create the First Annual Military Tennis Camp for Ill, Injured and Wounded Service Members and Veterans. This remarkable event took place at Balboa Tennis Club in San Diego, May 16, 2012 through May 19, 2012, and brought over forty military heroes together to play tennis while working to improve their physical well-being and overall quality of life.

Serving our ill and wounded military service members, veterans, and their families through a variety of tennis programs is a major focus for these outstanding organizations. Tennis therapy clinics are providing exciting benefits to participants, including improved endurance, balance, hand-eye coordination and weight transfer abilities. Additionally, by enabling them to learn a new sport, these organizations are truly improving the lives of wounded service members and veterans. Tennis is an activity that service members can continue to play when they return to their hometowns and will help them reduce stress and anxiety while also improving their physical activity.

Lastly, I would like to thank the US Olympic Committee, the Department of Veterans Affairs, and private donors for providing all airfare, meals, local transportation and hotel costs for each participant. Taken together, these groups raised over $40,000 to fund this great cause, and this event could not have taken place if it were not for the work and generosity of these great organizations.

I ask my colleagues to please join me in recognizing and congratulating the United States Tennis Association, the San Diego District Tennis Association, Naval Medical Center San Diego, the US Olympic Committee and Balboa Tennis Club for the outstanding work they have done, and are continuing to do, for our nation’s heroes and their families.
